## Voice of The People of Jamaica A Lawful Declaration under the Constitution of Jamaica

We, the People of Jamaica, acting under our original constitutional authority pursuant to the **Jamaica (Constitution) Order in Council 1962**, hereby issue a **Public Constitutional Declaration**.

This declaration:

1. **Activates rights** under Section 13(3) of the Charter of Rights,
2. **Preserves and activates protections** under Sections 14–17,
3. **Challenges unconstitutional statutes and unlawful police conduct** under Section 19,
4. **Preserves the right of redress**, immediately upon breach by any public authority,
5. **Invokes all articles of the Universal Declaration of Human Rights**, and
6. **Establishes binding notice and a fee schedule** for violations of declared rights.

We do not act as a political party, corporate entity, or commercial organization.

We act as the **lawful stewards and beneficiaries** of the Constitution — not by permission, but by **inherent, God-given right**.
