I, a man, called by the name, Daron Dale Weir, a private Jamaican national, creation of the Most High and living man of sound mind and peaceful intent, hereby publish this binding notice of my lawful status and the terms governing all interactions with my person or property in public or private spaces.

Upon stepping outside my home or private domain, I do not forfeit or diminish any natural rights granted by the Creator, including but not limited to the right to exercise my spiritual convictions, engage in peaceful movement, and be free from any unlawful surveillance, interference, or compelled consent.

This notice shall be deemed in effect and binding upon all public officers, agents, law enforcement personnel, and authorities who, by oath or office, are charged to uphold the Constitution of Jamaica and the natural rights of the people.
